THE WHAT, WHERE, WHEN & HOW OF JUMPING OFF A CLIFF (WITHOUT ROPES)

WHAT IS FRESHWATER COASTEERING?

Freshwater Coasteering at Cornwall's Adrenalin Quarry is a no-holds-barred adventure. Explore a rugged wildlife haven, traverse sheer cliffs, swim across the lake and learn how to 'tombstone' safely in a series of cliff jumps that start timid but end insane.

HOW MUCH AND HOW LONG DO I GET?

£30 per person, per session. Includes all the kit, an experienced coasteering guide & 2-3 hours swimming, traversing & jumping.

WHAT'S THE AGE LIMIT?

Minimum age limit, for safety reasons, is 10. No maximum age limit.

ANY OTHER RESTRICTIONS?

You must be able to swim 50m comfortably and be in general good health.

DOESN'T COASTEERING INVOLVE LOADS OF HANGING AROUND AND WAITING FOR THE RIGHT WEATHER?

Not at Adrenalin Quarry's sheltered inland lakes and cliffs. We never close because of the weather so you're guaranteed a reliable adventure. Just turn up, get your gear on and you're ready - no long treks before you start.

DO I HAVE TO DO THE HIGH JUMPS?

No. This is challenge by choice. You jump as high and as much as you feel happy with. We have a whole series of jumps that cover all abilities. There's no pressure from us to do the big ones: the emphasis is always on fun.

I WANT STAG/HEN PARTY ACTIVITIES IN CORNWALL. IS THIS ANY GOOD?

Are you kidding? We offer The UK's Highest Supervised Jump. Grown men turn to jelly when they face The Tombstone. It's as scary as you want us to make it and guaranteed to sort the best men from the bridesmaids.

I DO ADVANCED COASTEERING. CAN YOU CHALLENGE ME?

Definitely. Just take a look at the photos. www.adrenalinquarry.co.uk/coasteering-in-cornwall.html

I WANT TO GO TOMBSTONING IN CORNWALL. IS THIS THE PLACE?

Absolutely. From 20m high you hit the water at 44mph. This is as scary as it gets. And the scenery's not bad either.

WHAT'S THE TOMBSTONE?

The Tombstone is our highest jump: a formidable, jaw-dropping 20m from sheer cliff to calm lake. One to add to your collection. It's the UK's biggest supervised jump and unlike anything else you've tried.

IS COASTEERING SAFE?

Safety is top priority. You're always with experienced guides & every session is overseen by BCF/SLSGB instructors. All adrenalin sports involve some element of risk, but we go out of our way to keep this to a minimum.

CAN I WEAR MY GLASSES?

Wearing glasses is not recommended. We advise disposable contacts.

WHAT ABOUT WETSUITS ETC?

We provide all the gear, including superwarm wetsuit and boots, buoyancy aid, harness and helmet. It's state-of-the-art stuff but feel free to wear your own wetsuit or boots if you prefer.

WHAT DO I NEED TO BRING WITH ME?

A towel, swim gear and refreshments (it can be thirsty work).

HOW MANY CAN DO IT?

Maximum 20 in a group. No minimum. We can hook up singles and small groups with other groups no problem.
