THE WHAT, WHERE, WHEN & HOW OF FLOATING ON AIR

What do I get for my £50?

Your Hoverworld session includes all equipment, full training and 15 to 20 minutes solo flying time. Allow at least 2 hours on site in total.

Any age restrictions?

You need to be at least 14 years old. There's no upper age limit.

What about weight?

Maximum weight limit is 100kg/16 stone.

What type of hovercraft will we be flying?

You'll be parking your backside on single-seater Hovey Bimos powered by uprated twin Honda GX200 engines. They're perfectly balanced to give you enough oomph to know about it, but not so much that you end up in France if you go full throttle.

I heard Hoverworld is group bookings only. Is this right?

We usually do sessions in minimum groups of 2, maximum 4. But let us know how many you are and we'll do our best to accommodate you where possible.

What's the maximum group size?

Flying sessions normally run in groups of 4 people. However, for larger parties we can stagger sessions throughout the day and, while you're waiting to fly, provide other entertainment –The UK's Longest Zip Wire and Kartworld are on the same site.

What clothes should I wear?

Dress for the outdoors and be ready for the weather. Enclosed footwear (trainers/wellies, no heels) is essential. Long hair must be tied back and loose jewellery removed. No dangly earrings, scarves or necklaces please.

Do you provide food?

Hot meals from £5.00 with a choice of local pubs, diners and restaurants nearby. We can arrange gourmet packed lunches from The Hayloft Restaurant for £8.00 per head. Just let us know your requirements and we'll keep you fed on the day.

Is it safe?

Yes! We have two decades of motorsport experience with the best machines and safety equipment available. Hoverworld provides buoyancy aids and ear protection and has full Public Liability Insurance.

Can anyone do it?

If you're 14 or over, yes. Non-drivers and motorsport novices pick up the flying skills just as quickly as the petrol-heads! No clutch, gears or pedals.

I have a disability. Can I fly at Hoverworld?

In many cases, yes. Please ring in advance to discuss your requirements.
