THE WHAT, WHERE, WHEN & HOW OF JUMPING OFF A CLIFF

Do I have to book The Zip?

No. Just turn up and sign in. We'll do the rest.

Can I buy my tickets in advance?

Yes. Use the new, simple online booking system via our website: www.adrenalinquarry.co.uk
It can save time on the day.

Is it suitable for children and families?

Completely. We also have a play park, picnic areas, viewing platforms for members of the family who prefer keeping their feet on the ground, a lake pontoon and a large lawn with a marquee where you can spread out and relax.

What should I wear?

Outdoor clothes. No heels, please.

Do I have to queue for ages?

We do our best to keep queue times to a minimum and will normally have you flying in no time. During high peak season, some queuing is unavoidable, but we keep things moving swiftly.

Any age restrictions on The Zip?

No. We've had children as young as 4 and senior citizens of 94 diving down The Zip.

What about weight restrictions?

Minimum weight 25kg, maximum 115kg. However, this can vary in certain conditions, such as high winds. We reserve the right to change the weight limits in the interests of safety.

I have a disability. Can I fly down The Zip?

Yes. We've had many people with disabilities jump off The Zip, including wheelchair users. Please ring in advance to discuss your needs.

Can we get photos/videos of our jump?

In 2013, we installed a unique video system that captures your jump and posts it straight to your Facebook page. Or you can do it yourself. Here's how: as you jump, keep one hand on the rope, hold your phone/camera in your free hand, hold your arm straight so the lens is looking at you. You can get really excellent footage to take away with you as a memory or share with friends. There's some great stuff on youtube – just key in 'adrenalin zip'. There are also loads of photos and videos on our website: www.adrenalinquarry.co.uk
